

SAINT PATRICK'S DAY AT SAINT-EXUPERY SCHOOL,

MARCH 17TH 2022

Pupils from the 5ème and 4ème European Sections along with the 5èmes RG made many DIY decorations to create a typical Irish atmosphere ...

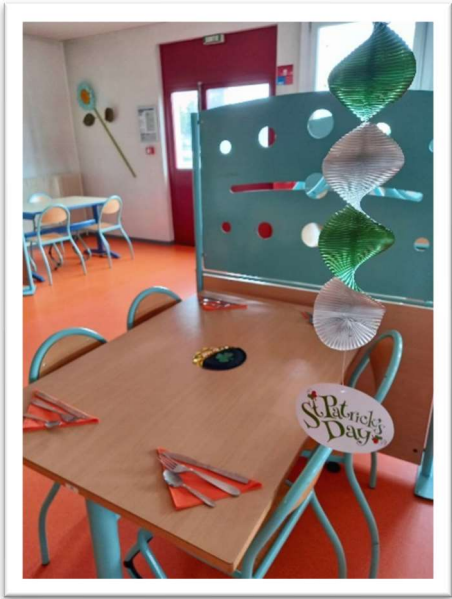

They made garlands, shamrocks, sheep, leprechauns, pots of gold ...

... and invited the whole school to wear green on St. Patrick's Day !

The cooks prepared a typical Irish menu and played the game : they got their green on as well !

Today's menu : Irish rarebit, 'Beef stew with Colcannon' and 'Green Trifle'

Then pupils were invited to meet the 6 challenges to win the pot of gold !

... and they DID it ! Comhghairdeas !

Congratulations to the winner Nolann P. and his teammates Sean P., Hichem B., and Léo N. in 5^{ème} Sperry.

Go raibh maith agat !

MANY THANKS TO ALL OF YOU !!

See you next year on March 17th ! ;)

Mrs. KACHELHOFFER, Mrs MEISEL and Mrs. NGUYEN ☺
